

Dear 4th Grade Parents,

God's Blessings to you this day! I pray that your summer has been enjoyable with some rest and relaxation. As we look to the beginning of the new school year, I wanted to share some information in regards to the musical offerings in our school. Below are the classes that are available for your child.

Please consider having your child enroll in as many musical ensembles as possible this year. Music is an art that requires hands-on participation. Having your child perform in multiple ensembles will allow for better musical growth.
